

## Bike Safety Seminar Vedder Community Management

Officer Martinez passes on a few bike safety tips to young but attentive residents of Pembroke Downs.

When approached by one of the residents to address the issue of bike safety at Pembroke Downs MHP in Chino, resident manager Margaret Gentry responded by organizing a bike safety seminar for the benefit of the entire community. "We are an all-age community and have several children riding their bicycles around it," said Margaret.

Approximately 45 residents attended the seminar, which was facilitated by Officer Gil Martinez from the crime prevention unit of the Chino Police Department. Officer Martinez reinforced the importance of bike safety to attendees by showing a movie, answering questions, and handing out bicycle safety pamphlets. As a "reward"

for their good behavior, children were also given the chance to have a seat in a patrol car, complete with flashing lights.

Adding a little excitement to the event, were the prize drawings and giveaways. "With the help of the Chino

Happy to have a new helmet!

Many bikes were given away as prizes.

Police Department, Misty Fram, one of our residents, and Vedder Community Management, we were able to give away four bicycles, 20 safety helmets, four bicycle locks, and two tire pumps," said Margaret. "We are also very grateful to Vedder Community Management for their generous contribution to help with the purchase of snacks and items.

The bike safety seminar was supported

## Our Work Stinks....and we love it!

One whiff and you know it's us. Crude, black and smelly. When American Asphalt shows up ready to work, we pour it on hot and spread it on thick. Our crews love to fill cracks, seal parking lots and pave everything from a private driveway to a half million sq ft Costco parking lot in the space of a weekend. Smiling the whole time.

by a number of local businesses, including Target, McDonald's, Can-nataro's, Walmart, Olive Garden, Incycle Bicycle Shop, and Starter Bros, who provided the community with several gift vouchers to hand out on the day.

"We are amazed at the level of community support we received for the event and are hoping to have another event in the spring before the children are out of school for the summer," said Margaret.

With its overwhelming popularity and success, Vedder Community Management would like to implement this program at all of their all age communities. ✨
